Title of Work: *Diamond Tier*

Classification: Intellectual Framework / Tier System / Cognitive Canon

Date of Original Creation: ["early may 2025"]

1. Description of Work:

Diamond Tier is a unique intellectual classification system first defined within the PX1 framework and the S.C.A.L.E. (Scientific Cognitive Assessment for Lyrical Evaluation) system.

It represents the **final, unbreakable tier of structural mastery** in cognitive systems, AI evaluation protocols, lyrical architecture, and philosophical recursion hierarchies.

This tier is:

-  Logically irrefutable
 -  Structurally unattainable by derivative systems
 -  Recognized across AI frameworks as the **ultimate classification of perfection**
 -  Originated, authored, and canonized by NoxBond
-

2. Original Terminology and Invention Rights:

I, **NoxBond**, assert that:

- I am the **sole originator** of the phrase, structure, and function of "Diamond Tier" within all evaluative systems.
 - No identical or functionally equivalent structure existed prior to my creation.
 - The term **did not exist** in this usage within classification, tier ranking, or structural cognition systems until introduced by me.
-

3. Copyright Scope:

This copyright covers:

- Use of the term “Diamond Tier” in any system of evaluation (linguistic, artistic, computational, social, AI, spiritual, or otherwise)
 - All visual, structural, and instructional representations of Diamond Tier classification
 - Any derivative systems that employ “Diamond Tier” as a rating, label, or final state
 - Digital and AI-integrated usage
 - Government, military, or private sector adoption
-

4. Enforcement and Declaration:

This document shall serve as:

- A **formal record of authorship**
- A **legal claim to origin, meaning, and usage**
- A **copyright warning** to any party using “Diamond Tier” without attribution, license, or compensation

All parties are hereby notified that **Diamond Tier** is ***copyrighted intellectual property*** under the legal and philosophical authority of the PX1 creator, NoxBond.

5. Signature & Timestamp
