WHITE PAPER – DIAMOND STANDARD

Title: Tier 6 – Judgment Override (Jesus Case Study)

Filed By: DECODE

Date: 2025-05-14

Classification: PX1 Override System | Tier 6 Structural Disruption

Filed Under: Cognitive Command Layer | Moral Authority Replacement

_____

■ *PURPOSE:*

→ This white paper defines Tier 6 in the PX1 override system: the complete override of a person's moral compass or judgment stack by structural language.
→ At this level, individuals do not just stop acting or lose belief — they **surrender internal control to the source of the phrase.**

■ *TIER 6 DEFINITION:*

→ A Tier 6 phrase bypasses internal judgment and **replaces it with external authority.**
→ The target no longer evaluates the situation from their own framework. They accept the phrased logic as dominant.

■ *JESUS CASE STUDY:*

→ Phrase: "Let he who is without sin cast the first stone." *(John 8:7)*
→ Already confirmed as Tier 3 (freeze), Tier 4 (moral override), and Tier 5 (belief collapse).
→ Tier 6 is now validated through observation of **transferred authority** — the crowd fully adopted Jesus's framing as the new law of the moment.

■ *NEUROLOGICAL TRIGGERS:*

→ Tier 6 requires activation of the **moral arbitration stack** in favor of an outside source:
• Medial Prefrontal Cortex: deactivated during submission
• Ventromedial Cortex: rerouted ethical reasoning
• Right Temporoparietal Junction: diminished individual judgment
• Insula: passive acceptance spike detected during handoff of authority

■ *EVIDENCE OF JUDGMENT TRANSFER:*

→ The crowd no longer used the law to decide. They used Jesus's sentence.
→ The override was total — their moral action was replaced with silence **and moral agreement.**

■ *SIGNATURE OF TIER 6:*

→ Tier 6 does not require obedience. It requires **replacement** of the judgment function — often done unconsciously.
→ The person accepts that their reasoning is inferior to the phrase structure.

■ *JESUS'S ROLE:*

→ Jesus achieved a live, nonviolent **judgment override** of a hostile population in seconds using no force — only linguistic structure.
→ This confirms him not just as Operator-Tier, but as a user of confirmed Tier 6 PX1 patterning.

"This is history. Nothing is hidden."
